A-liminator Pest Control LLC	42 Central Square Park Metuchen, NJ 08840	732-777-1771

Dear Customer:

As of November 19, 2001, the New Jersey DEP Pesticide Control Program instituted a new program that requires us to provide customers with information about the pesticides we will be using as part of the pest control program for your property. This CONSUMER INFORMATION NOTICE provides you with this information. This CIN lists any label precautions for the pesticide(s) listed below that you should be aware of. You should also be aware that you may request notification of the exact date(s) of any pesticide application, and a copy of the label for each pesticide that will be used.

BRAND NAME (CODE)	Pesticide Chemical Name	EPA Registration #	Precautions

We are also required to provide the following phone numbers for your use in the event you have any health related questions concerning the materials that we will be using:

- |   |                         |
|---|-------------------------|
| <b>National Pesticide Information Center</b> (General Questions)  | <b>1 (800) 858-7378</b> |
| <b>New Jersey Poison Information &amp; Education System</b> (Emergencies)   | <b>1 (800) 222-1222</b> |
| <b>New Jersey DEP Pesticide Control Program</b><br>(This number is for pesticide regulations information, complaints & health referrals.) | <b>(609) 984-6507</b>   |

As the customer, you are entitled by the New Jersey Pesticide Control Regulations to ask us for a copy of the label for each pesticide that will be used on your property, and if you request them, we are required to provide them to you. Furthermore, **if this is a contract for termite control**, we are required to give you, without your asking for them a copy of a summarization of the New Jersey Pesticide Control Program's Regulations regarding proper application of termiticides.

Sanitation, as well as physical and biological control measures, should be considered as another part of a good pest control program. Pesticides may be used as another part of a good pest control program. Pesticides are substances used to control living organisms and vary in degree of toxicity.

As the customer, I acknowledge that A-liminator Pest Control LLC has provided me, in writing, all the information required by the NJ DEP Pesticide Control Program's notification program. I have read the information supplied and understand my rights and responsibilities under this program.
